

A REWARD FOR OUR ENGLAND FOOTBALL PLAYERS.....

THE DENTLEY CONTINENTAL DTs

The Uber Car for Today's Mega Footballer.

The clues are there. The pushy dark mesh radiator grille, ringed by bright metal that shrieks aggression. The aggressive lower bumper with its three air intakes. The dark rear valance, with its aggressive twin exhaust tailpipes shaped into an elongated, aggressive side-on figure eight. The pink enamel Dentley winged 'D'. These are the tell-tale signs of the all-new Dentley, aggressively powered by a 6.0 litre V10 engine.

From the distinctive bass beat of its ten cylinders at idling speed to the glorious snarl of full-throttle acceleration, the all new DTs V10 offers an exhilarating, involving and passionate route to your next game. All-wheel drive and a two-speed transmission transmit its power to the road with unshakable precision. This is Dentley – the 'voiture' that gets a result!
